Hi Venturer Olympians

Now that Night Hawk is almost over, don't forget the next BIG Venturer Night.

**Stone-Age Rumble** - Venturer Sports Games with a difference. This year with an Olympic Theme. This games night is open to any and all Venturers in South East Queensland. The more the better.

The games will include: Flame Lighting Ceremony, Weight Lifting, Hurdles, Beach Volley Ball, Hammer Throw, Wrestling, Javelin, Shot Putt, and Tri-athlon. If we have enough Leaders and Rovers to supervise, we should have 14 "different" sports. The games will finish with the Marathon and the last event of the night will be an Olympic version of Stone-Age Football.

**Leaders:** Please let me know if you can assist with supervising a "sport". All sports equipment will be supplied. About seven of the sports are timed and will require you to supply a watch (stop-watch is not necessary) that is readable at night in poor light.

**George Rowlinson**
